

# Culture Kit: Ready-to-Go

## Detailed Overview

The Ready-to-Go Kit is designed for organisations who want a proven framework and a smooth start. Here's exactly what's included, so you can see how each piece supports culture change.

### **1. Pre-designed survey delivered online**

Covering key areas of culture, crafted using positive psychology principles to elicit honest and useful feedback.

### **2. Insight report**

Clear, visual storytelling that makes data easy to understand, trust, and act on.

### **3. 2x Pulse surveys & reports**

Short follow-ups to track progress and keep momentum alive, showing employees you are listening.

### **4. 3x Debrief sessions**

Facilitated conversations to unpack findings, celebrate strengths, and set direction together.

### **5. Communication templates**

Ready-to-go resources so leaders can confidently share results and key messages with their people.

### **6. Team Leader Guidebook**

A practical handbook that helps every leader encourage, support, and act on feedback with their teams.

With these tools, leaders gain clarity and confidence, employees feel heard, and culture shifts from insight into action.
